Dear Potential Sponsor,

Alvis Farms Events, LLC is preparing for and getting excited about this year's sunflower festival which will be June 21-23, 2024. We planned for the sunflowers to bloom in June this year, and are thrilled to focus our educational exhibits on all things dairy. What better way to celebrate June Dairy month, than in the sunflowers with one of the last remaining dairy farms in the area?

We are proud of the legacy we have established as agricultural producers and educators in the Goochland community for over 75 years. The women of the farm formalized our efforts to expand and promote agriculture education in 2018. As each generation becomes further removed from the farm, we recognize the need to provide opportunities for people to see where food comes from and experience the beauty that agriculture provides.

Community outreach and education is something we strive to do as often as possible. Welcoming the public through agritourism events helps us showcase our environmental stewardship, continue to farm, and be an active part of keeping Goochland rural.

Hopefully by now you have heard of the beauty and popularity of our sunflower festival in Goochland County. This venture has allowed us to give back to youth organizations and to create a scholarship fund for local youth.

We are asking that you consider sponsoring us for 2024. In addition to advertising your business at our event, your donation will support agriculture education in our community. Thank you for helping us preserve rural Goochland and keep farmers farming; we hope to see you at this year's Sunflower festival!

Sincerely,
